# Erickson Advantage Provider Directory

This directory provides a list of Erickson Advantage plan providers. This directory is for **Kansas – Johnson County and the Community of Tallgrass Creek**.

This directory is current as of September 2008. Some plan providers may have been added or removed from the list after this directory was printed.

To get the most up-to-date information about Erickson Advantage providers in your area, you can visit [www.EricksonAdvantage.com](http://www.EricksonAdvantage.com) or call the United Healthcare Customer Service Department at 1-866-314-8188, 8 a.m. to 8 p.m., 7 days a week. TTY users should call 711.

## Section 1 – Introduction

---

This directory provides a list of Erickson Advantage plan providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

The “plan providers” listed in this directory have agreed to provide you with your health care coverage. If you have been going to one plan provider, you are not required to continue going to that same provider.

### **This Plan is a Point of Service (POS) Plan**

As a member of this Erickson Advantage POS plan you may receive certain covered services from physicians and other medical providers who are not contracted with UnitedHealthcare. You do not need a referral to receive services from non-network physicians and other medical providers. Visits to non-network physicians and other medical providers are covered services under this plan. However, by using network providers, you reduce your health care costs because the copayment and coinsurance amounts that you pay to non-network providers are generally higher than the copayment and coinsurance amounts you pay to network providers for the same service. You may receive covered services from non-network medical providers anywhere in the United States.

The list of covered services you may receive from non-network providers is located in the Evidence of Coverage. Certain covered services may only be received from network providers. Please check this list carefully because neither UnitedHealthcare nor Medicare will pay for services obtained from out-of-network providers unless they are listed in the Evidence of Coverage (except for emergency services, urgently needed services, out-of-area renal dialysis and routine travel dialysis or post-stabilization services.)

### **Choosing a Primary Care Physician (PCP)**

As a member of Erickson Advantage, you must select a primary care physician (PCP) upon enrollment for your enrollment application processing. Your relationship with your PCP is an important one because your PCP is responsible for the coordination of your health care and is also responsible for your routine health

care needs. You may want to ask your PCP for assistance in selecting a network specialist and follow-up with your PCP after any specialist visits. You will be responsible for developing and maintaining a relationship with your PCP.

### **How do you receive covered services from a network specialist?**

Even though your PCP is trained to handle the majority of common health care needs, there may be a time when you feel that you need to see a network specialist.

### **You do not need a referral from your PCP to see a network specialist.**

You may choose to make an appointment with any specialist in this provider directory. Although you do not need a referral from your PCP to see a network specialist, your PCP can recommend an appropriate network specialist for your medical condition, answer questions you have regarding a network specialist’s treatment plan and provide follow-up health care as needed. For coordination of care, we recommend you notify your PCP when you see a network specialist.

### **How to access your behavioral health benefit**

As a member of Erickson Advantage, you may directly access your behavioral health benefits by choosing a provider from the “Specialists and Other Health Care Providers” section of this Provider Directory.

### **What is the service area for Erickson Advantage?**
